

Material Safety Data Sheet

Salt Neutraliser

1. Identification of Substance / Preparation and Company.

Product Name : Salt Neutraliser

Company : Permagard Products Limited
Chitting Industrial Estate
Avonmouth
Bristol
BS11 0YB

Telephone : 0117 9381596
Fax : 0117 9381584
Web : www.permagard.co.uk

2. Composition / Information on Ingredients.

Hazardous Ingredients	CAS No.	% Range	Hazard	Risk No.
Acetic Acid	64-19-7	>25	Corrosive	R10 C, R34

3. Hazards Identification.

This product is classified as **CORROSIVE** under the Chemicals Hazard Information and Packaging regulations 2002. This product may cause burns.

4. First Aid Measures.

Inhalation : In case of accident by inhalation : remove casualty to fresh air and rest. If symptoms persist seek medical advice.

Skin Contact : After contact with skin, wash immediately with plenty of soap and water. For persistent irritation seek medical advice.

Ingestion : If swallowed, do not induce vomiting : seek medical advice immediately and show this container or label.

5. Fire Fighting Measures.

This product is not flammable. Treat fires with dry chemical, foam or water spray. Wear protective clothing and self-contained breathing apparatus. Prevent large amounts of run-off from entering water course or drains.

6. Accidental Release Measures.

Wear suitable protective equipment (see section 8). Clean up spillage with inert absorbent material and place in a suitable container for safe disposal. Wash area down with water. Dispose of waste material and contaminated containers via normal waste collection. Large volumes of this product should not enter drainage or sewerage systems. Spillages will make surfaces very slippery. Clean spill area and any tools used thoroughly. Collect washings and dispose of as contaminated waste. Warn others of hazard until surface is dry.

7. Handling and Storage.

Keep out of the reach of children.
Keep away from food, drink and animal feedstuffs.
Do not breath spray mist.
Avoid contact with skin.
Avoid contact with eyes.
Do not empty into drains.
This material and its container must be disposed of in a safe way.

8. Exposure Controls / Personal Protection.

Always consult the label before use.

PPE :

Respirator	Not normally required. However, recommended if you are sensitive to vapours.
Gloves	Impervious, recommended.
Eye / Face Protection	Safety goggles recommended.
Protective Clothing	Coveralls recommended.

9. Physical and Chemical Properties.

Appearance :	Clear Colourless liquid
Odour :	Pungent
Solubility in Water :	Soluble
pH :	4.0
SG :	0.990 – 1.010 g/ml

10. Stability and Reactivity.

Product is stable under normal conditions. Avoid mixing with other chemicals unless instructed to do so.

11. Toxicological Information.

Eye Irritation :	Risk of serious damage to eyes.
Skin Irritation :	May cause irritation of the skin.
Skin Sensitiser :	No
Oral LD ₅₀ :	3310
Dermal LD ₅₀ :	1060

This product has not been tested. The data has been calculated using data from the individual components.

12. Ecological Information.

Ecotoxicity :	Daphnia (96Hr)	LC50 <47mg/L
	Fish (96Hr)	LC50 75mg/L

This product has not been tested. The data has been calculated using data from the individual components.

13. Disposal Considerations.

Do not empty into drains. This material and its container must be disposed of in a safe way. Consideration should be given to recycling of the outer packaging of this product. The user's attention is drawn to the possible existence of regional or national regulations regarding disposal.

14. Transport Information.

Proper Shipping Name : Acetic Acid Solution
UN No. :
Packaging Group :
ADR Class : 8
ADR Item No. :
HI No. :
IMDG :
Marine Pollutant :
IATA :

15. Regulatory Information.

Hazard Symbols : CORROSIVE

Risk Phrases : R34 Causes Burns

Safety Phrases : S26 - In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
S28 - After contact with skin, wash immediately with plenty of soap and water.
S36/37/39 - Wear suitable protective clothing, gloves and eye/face protection.
S45 - In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible).

16. Other Information.

Recommended Uses : Salt Neutraliser for masonry surfaces.

Legal Disclaimer : The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. This company shall not be held liable for any damage resulting from handling or from contact with the above product.
