

P-Seal Corner Strip

Description:

P-Seal Corner Strip is a black PVC backed one-sided tape which is used for connecting and sealing all the P-Seal membranes together where they join or overlap.

It is used for abutting joints, for repairs or where membranes have been cut to enable them to overlap, for example at corners, reveals, wall/floor joints or protrusions through the membrane.

It should be regarded as an excellent general purpose sealing and repair product.

Technical Details:

Size:	20m x 150mm
Colour:	Black
Coverage:	
Packaging:	Individual
Stud Depth:	
Thickness:	0.8mm

Associated Products:

- P-Seal Quick Plugs - for fixing the membrane to walls
- P-Seal Brick Plugs - for fixing the membrane to walls
